

Thanks for downloading Arcomusical templates for Finale!

In order to put these to use with your computer right away, please follow the following installation instructions:

for Mac:

- Make sure Finale is closed
- Relocate the folder containing the included Finale templates to: iCloud Drive/Documents/Finale Files/Finale 27/Music Files/Templates
- Restart Finale
- On the Launch Window, click Templates/Arcomusical Templates, then select the file you wish to use.

for PC:

- Make sure Finale is closed
- Relocate the folder containing the included Finale templates to: iCloud Drive/Documents/Finale Files/Finale 27/Music Files/Templates
- Restart Finale
- On the Launch Window, click Templates/Arcomusical Templates, then select the file you wish to use.

If you have any questions or run into trouble, please reach out via email at info@arcomusical.com. We look forward to collaborating with you!
